

Decision Canvas

1 Define User Cases & Goals

What problem are you solving with your project?

2 Project Scope & Brief

Do you have a plan in place that will solve this problem?

3 Legal, Technical & Spatial Considerations

What are some ethical dilemmas of your solution?

4 Public Engagement & Communication

How will the public be involved in your project?

5 Data Collection & Processing

What data insights are required to solve the problem?

6 Impact analysis, reflection & evaluation

How will you know your project is a success?
